Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I would like to ask that further information be provided on the reduction of the Oak. Given that the tree is in a TPO zone, it would be useful to see photographs of the tree and the limb. I would like to understand if there has been any arboricultural assessment or recommendations. A low limb should not in and of itself be a requirement for reduction in my opinion.

Kind regards
