Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	We currently share access with Highfields and Lower Flat Westfields so currently have very few vehicles, deliveries, pedestrians etc. We understand that there is nothing we can do regarding the building of the care home but do strongly oppose to the current access lane being used by contractors, staff and visitors etc. during the build and thereafter. We are also concerned about volume of vehicles following sat nav directions leading to the current access lane as there is no where to turn round other than our private driveway.
-----------	--

We moved here 20+ years ago mainly due to the quiet and pretty location so do feel incredibly sad that we will lose that with noisy building works for a very long period of time and will end up looking out to a huge intrusive building.

Kind regards
