Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I am the eldest son of Mrs Hardman, who lives at the neighbouring property (2 The Old Granary). I objected to the original proposal on the basis that the boundary lines were incorrectly drawn. However, I am now happy to support this application provided that sufficient access along the private road and courtyard is maintained throughout the period of development. There are several vulnerable residents in nearby properties, of whom my mother is one, and it is essential that

carers and emergency services vehicles are able to enter this area. Likewise, works should be restricted to 9am-5pm from Mondays to Fridays, and from 9am to 1pm on Saturdays.

Kind regards
