

18th September 2025

To whom it may concern

On behalf of the Board of Trustees of East Grinstead Sports Club Charity, we are the neighbours of the Church of Scientology and can confirm that whenever they have erected the large marquee in their grounds there has never been any inconvenience of disruption for the users and visitors to our site. We have no objection to them continuing with this practice assuming there is no material change in their operations.

Signed on behalf of the Board of Trustees of East Grinstead Sports Club
