Dear Sirs

1125.02

**Alterations and additions to 14 Park Road
DM/23/1900**

Please find attached our application for amendment to the Condition 2 on the above approval relating to the approved plans.

Our clients have decided to reduce the required side addition in size retaining the existing side addition and with an additional smaller addition forward. It has also been decided to make the roof style in keeping with the various bays on the property with a plain tile roof with bonnet hips.

We trust that this amendment to the Condition will be acceptable.

Yours faithfully
