Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Totally inappropriate usage for a building of this size and location. Permission granted under Reference DM/24/2689, on this original extension of the garage property clearly states....The car parking area within the garage shown on the approved drawings shall not be used for any purpose (including use as living accommodation) other than for the garaging or storage of private motor vehicles and no trade or business shall be carried out therefrom...This latest application surely is totally contrary to this, and is reflected in the previous refusal on this request.

Kind regards
