Reasons for comment:	
Comments:	I was Secretary at The Hillians for 20 years in the 80's and 90's through to mid 2000's. One of the improvements I oversaw was replacement floodlights...now well past their sell by date and usefulness compared to LED lights now in community usage. The community club has come a long way since the 80's, now supporting several successful youth teams including an under 18 team that made the third round proper just missing out on a tie

verses Chelsea FC.

The latest LED lighting impinges less on the surrounding area and the installation of a 4g pitch will enable the most successful grassroots football team in Mid Sussex provide better facilities to our expanding Town and it's community. Please support your team baring the Towns name in national football circles...you know it makes sense...even though I now live in Brighton I support the Club in a Town that I grew up in...Martin Waner

Kind regards
