Commenter Type:	Neighbour or general public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	Burgess Hill FC are fantastic ambassadors for the town and their sporting success reflects well on our town. By supporting their improvement plans they will be able to offer many more sport opportunities to the residents of Burgess Hill, particularly the juniors and ladies teams. The additional screening and noise reduction measures are sensible and should help to reduce the inconvenience to local

residents which is important.
I fully support the scheme

Kind regards
