Dear Jonny

Just to confirm I went to the site again last week to review the site setting out. I have advised your client that he can remove the tennis court marking out pegs if he now wishes.

I made your client aware that I have received some additional representations from the adjacent neighbour at Crossways regarding the details of the AIA and the Heritage Statement. Before these emails can be uploaded for public viewing on the public register the email address on these emails will be redacted. This should be actioned in the next 24 hours.

I shall be grateful if you can review and comment on the content of these emails, once this has occurred. This may require the submission of further details/clarification from the authors of the reports to address the issues that have been raised.

I look forward to hearing from you on these issues.

Regards

Hi Anna

Further to the below, I do not believe that you have been to site yet? If so, please could you suggest some suitable dates?

Kind regards
