Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: One of my neighbours produced a helpful summary so please ignore my question/request of yesterday. Our house directly overlooks the area in question. It is a family home with children's bedrooms facing that direction, and whether we or a future family live here, we think it would be wholly unreasonable to allow use of the floodlights - with the inevitable associated noise and disturbance - beyond the current limit of 7pm (which we did not object to in the original application). We are generally supporters of the school, but believe that a balance needs to be drawn here and the council should not allow the school's request to extend its

activities further into the evening (well beyond standard school hours) to the detriment of neighbours' peaceful enjoyment.

Kind regards
