Hello Katie,

I hope all is well. Regarding the attached consultation responses the applicant has advised they have agreed the visibility splays of 60 metres with your colleague Lee Moses. I'm assuming as the proposed visibility would be greater it would be acceptable but please could you confirm this? Also they have submitted amended plans which show a row of studs and that the granite setts are to be retained. Please could you confirm this is acceptable? I have attached their email with the information.

Thank you,
Kind regards,
