Dear James

Just to check, do your comments relate to application **DM/25/3227** – Nationwide Building Society, 58 High Street, Hurstpierpoint?

Kind regards

Debbie.

Hello Deborah,

I've had a look and the plans seem ok. I would make the following comments.

1. Building Control will cover the required fire precautions included a protected means of escape, but there needs to be at least one hour fire resistance between residential and commercial uses;
2. There seems to be no doors on the second floor store and study which I would suggest are fitted;
3. I can't see sections of the property, so the bedroom must offer at least 10.5m² of useable space with a minimum headroom of 1.5m

Any question just give me a call.

Thanks
