### Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	Hassocks is being massively over developed as it is, all the new build sites are stretching resources very thin in the village, such as neighbours having no water pressure during peak hours, not enough parking, the schools and doctors surgery are stretched. It is unnecessary and disruptive to the community to build a block of flats on the high street.
