Stance:	Customer made comments neither objecting to or supporting the Planning Application

Reasons for comment:

Comments:	<p>I hear that the building is to be four floors of flats above the commercial/community space. I have heard that the library might go there. Is this correct. That would be great.</p> <p>I think residents would prefer only 3 story's high. As it would stand out as a huge building right in the middle of the village.</p>
