Subject: DM/25/2046 | Evergreen London Road Hassocks West Sussex

Good afternoon Hamish,

Thank you for re-consulting us on the above application. Looking over the recent documentation I don't believe there have been any updates to the information provided for great crested newts. Therefore we defer back to our previous comments regarding the recommendation for a PWMS to be written by a suitably qualified ecologist. This can be submitted to the LPA for approval prior to determination or secured via a pre-commencement condition.

Best wishes,

Laura Downs (*she/her*)
District Licensing Officer (Great Crested Newts) – West Sussex
