Can you please add this into the objection for the above planning.

The other issue that needs to be considered with regards to the proposed padel courts is that our garden is within 5 meters.

Myself and some residents of Southdowns Park frequently sit in the gardens. The noise from the proposed courts would make this experience very stressful. At present it is lovely and peaceful with only a few cars passing to go mainly to the swimming pool.

Please ensure this is taken into consideration when deciding on the court's.
