Good morning

Thank you for your update

Yes, the carriage House and Garaging is for my collection of old and vintage motorcycles, the workshop to provide facilities for the maintenance of the motorcycles.

Kind regards

Mr McGregor,

I am getting on with writing the report in view of a decision being made early next week.

If you could confirm what the carriage house, workshop and garage will serve/ have in storage?

I believe from my notes when I conducted my site visit that it will be in part for the storage of motorbikes. Please confirm.

I look forward to hearing from you.

Kind regards,
