Reasons for comment:

Comments: I sent in my objection to this planning application on 04/06/2026. I have since received notification that the applicant has now sent updated plans which you received on 29/06/2026.

I have looked at the documents on the planning register for the updated plans, but I do not see any changes from the original application except that the lockers are shown as being moved closer to the boundary. Non of my original objections have been addressed by this new application.

Regards

Kind regards
