Address: 7 Kingfisher Drive Bolnore Village Haywards Heath

Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I formally object to the proposed installation of a 5g telecommunications mast within 100 metres of our home and a large residential area to the east of Rocky lane and to the north (Bolnore). It will be in direct line of sight of the South Downs and surrounding green belt land and so not keeping with the rural setting . There is a primary school within 400 m and there are health concerns (microwave syndrome)for children and all nearby

residents from such a large industrial scale mast. It is inappropriate for a residential setting and may affect property values and residents' enjoyment of their homes. This application should be rejected.

Regards,
Dan Catchpole

Kind regards
