This application has been dealt with in accordance with the Development Control Scheme protocol for small scale proposals.

WSCC in its role as Local Highway Authority (LHA) has been reconsulted by the Local Planning Authority (LPA) following the applicant's submission of additional application documents. The LHA previously provided comment on this application, dated 25/03/2025 and 12/05/2025, raising no highway safety concerns.

From inspection of the recently submitted additional documents, the content does not appear to relate to highways and therefore, would not warrant further comment from a highway safety point of view. The LPA are advised to refer to the LHAs initial consultation response, dated 25/03/2025, for relevant comments.
