Subject: ref: DM/25/0949 - Westup Farm
Importance: High

Dear Peter

Thanks for your time on the phone just now and on site a few weeks ago. As per the planning application the building will be either Yorkshire / castle cladding (see below) or box profile, depending on the design. We may install 2-meter-high concrete panelling on three sides depending on costs.

Yorkshire Cladding: [yorkshire cladding - Google Search](#)

Castle Board: [castle board cladding - Google Search](#)

Concrete walling: [Concrete panels pre stressed | eBay](#)

I hope this is useful and allows you to complete your work on this application.

Any other questions please do let me know.

BW

Nic
