

Application reference: DM/25/2828

Site Address: Crown Lodge, East Grinstead

Site Visit Date: 10.11.2025

North – Existing access to the car parking spaces immediately to the north of the building.

South – Brick paved area immediately to the south of the building with a small area for flower beds. The building to the south utilises a similar single storey porch to the application building.

East – Car parking area to the east of the site with the grade II* listed church visible in the background to the east.

West – The existing building closely abuts the pavement edge with other dwelling to the western side of the road also closely abutting the roadside.

Streetscene – Primarily tile hanging featured at first floor level with some larger flats and higher density units moving north along the street.

Other -
