

Application reference: DM/25/2802

Site Address: Slaugham Place Farm, Slaugham

Site Visit Date: 10.11.2025

North – Garden amenity space out to the north of the dwelling with a swimming pool area. A pond is positioned to the north in the distance.

South – To the south-east of the main dwelling on site there is a single storey outbuilding which uses a cross pitched roof and an L shaped format.

East – Large agricultural style buildings are positioned immediately to the east of the site as well as some heavily wooded areas.

West – Open fields out to the west of the site.

Streetscene – Cluster of dwellings positioned on the site of Slaugham Manor with other historic farm buildings placed elsewhere nearby.

Other -
