North – Existing grassed area with a tree planted immediately to the north of the site. A boundary wall abuts the highway edge to the north of the site against the roadside edge.

South – A single storey shed outbuilding is sited to the south with some mature tree planting nearby.

East – Existing driveway which sets the building back from the highway edge.

West – A brick built boundary wall runs within a close proximity to the western side of the building.

Streetscene – A mix of building types down a verdant and narrow winding lane.
