Reasons for comment:	
Comments:	I fully support the planning application for the glamping pods. Having stayed there several times, I can attest to their excellent quality, privacy, and eco-friendly design. The pods provide much-needed accommodation in the area while being discreet and in harmony with the natural surroundings. During my stays, I also contributed to the local economy by visiting nearby towns, shops,

and restaurants. This development is a valuable asset to the community.

Kind regards
