Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This area is prone to flooding. The additional movement of land will lead to problems. There are bats and owls in this area and ancient woodland nearby. There is no alternative way around should you need to close the road during construction. We do not need extra traffic on this road, there are no NHS dentists or doctors spaces. SE water can't cope with this they have already made us lose

water. This is a quick route for ambulances and we do not need the extra traffic.
Despite a low birth rate the amenities in east Grinstead are all ready stretched.

Kind regards
