| Comments: | To the Gods and Goddesses of planning. Those planning officers whose extraordinary power shapes the environment around us. Please for once listen to those of us who live in Sandhill Lane and Burleigh Lane, who lives will be directly adversely effected should you find some justification for granting this madness. How about retaining this agricultural / pasture land as a wild flower meadow? Those of us living at Grange Hill STRONGLY APPOSE THIS APPLICATION in whatever guise it is presented. |

Kind regards
