Reasons for comment:	
Comments:	We have been walking our dog up at Wickham Fields ever since he was old enough: nearly 8 years. We live 5 minutes walk away. It is a lovely, safe place for him to run about, meet other dogs, chase rabbits etc. and there's a stream for him to paddle in on hot days. He absolutely loves running about in those fields! We would be so sad to lose them. Having more houses squashed in there will put so much pressure on the local infrastructure, especially the local roads, schools, doctors, dentists etc.

Kind regards
