Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Strongly object to this proposed development of new houses. The infrastructure is not in place for it and also the area around Gatesmead is woodland that the residents use daily and who do not want to see this area be destroyed for more housing. My daughter has recently bought in Gatesmead and was led to believe that the area behind the estate would NOT ever be built upon? I walk my dog and her dog on this woodland area and therefore strongly object to this proposed development.

Kind regards
