Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	We cannot keep building on our countryside, this area is bombarded with developements or applications and its just pure greed - the houses are not well built, affordable, developments do not allow for all the extra infrastructure that has to be in place, roads are full, doctors, schools, there are major issues with water supply - and its only going to get worse, the council needs to say no to our precious green land being destroyed, we are endangering our local habitats and wildlife and its heartbreaking to

see - there are plenty of brownfield sites to be built on please
please stop destroying our precious countryside.

Kind regards
