Hi Joseph,

Huge apologies, your email came in on the first day of an extended period away from the office and slipped through my sifting.

Yes, these certificates are fine and satisfactory to discharge conditions 14 and 15 attached to DM/23/3182.

Best Regards

Jo

Hey Jo,

Sorry to chase, but in relation to my email as set out below, I was just wondering if you had a chance to look at this yet?

Let me know if you need anything else.

Afternoon Jo,

Following on from your comments I have chased up the agent and they have provided the attached to confirm that both the football pitch and rugby pitch have been registered.

Is this sufficient or would you need formal consultation to go through the NGBs?

Many thanks

I would expect confirmation from the applicant but if the certificates are being formally submitted and we are being consulted on a DoC application then I can ask the NGBs to find out. We have a 21 day turn around on applications which will be required if I have to go through the NGBs, so if the applicant can confirm then I can sign off much quicker.

Hi Jo,

Thank you for your quick reply.

Can I just confirm, should I be asking for the details from the applicant to confirm that the pitches have been registered or will you confirm once you have revert to the NGBs?

Many thanks

You don't often get email from jo.edwards@sportengland.org. [Learn why this is important](#)

Hi Joseph,

We would also expect to see that both AGPs have been registered as required by the conditions Condition 14 – both pitches with the FA and condition 15, the rugby AGP also with the WR Hermes system.

Let me know if any clarification is required but I will need to revert to the NGBs so it will take a bit of time.

Best Regards

Jo

Hi Jo,

Following your comments on the RMA as attached.

Details requiring certificates for the football and the rugby pitches were conditioned.

I have now received the certificates which are considered acceptable. I just wanted to check with you if there was anything else you would normally expect to see alongside these certificates?

I look forward to hearing from you.

Kind regards
