Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to this ridiculous proposal . Leave the countryside as it is . It's exactly that ! Countryside that we all have access to, it's natural !! This idea is purely so they can make millions out of building houses that no one can afford to buy . This proposal is not required ! Putting concrete down in what is already a natural area is ridiculous .

Kind regards
