Condition(s) - Variation/Removal

Please state why you wish the condition(s) to be removed or changed

The applicant wishes to change the approved 'white render' external wall finish of the single storey rear extension. The change will improve the appearance of the extension within the context along the rear street scene. The variation we would like to propose is for the 'white render' to change to a red brickwork external wall finish to match the main house. The applicant wishes also to change the size of the rear patio door set and position of the extension skylight. The change will improve the outlook to the rear garden from the new kitchen area, while the skylight change will improve the daylighting to the rear extension. Each variation does not impact the neighbouring properties or private amenity.

If you wish the existing condition to be changed, please state how you wish the condition to be varied

We understand the proposed variation will change the approved drawings under Condition 2, and specifically drawing references: Proposed Floor Plans 311A and Proposed Elevations 321A.
