Commenter Type:	Neighbour or general public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	The Bunn and Breen families are already doing a huge amount for the area and it's wonderful to see investment in a run down building. I know from previous developments they've done, that they will be sympathetic to the history of the building whilst bringing back the life it needs. And no doubt they will make a success of any business that they run from it.

Kind regards
