Description of Proposal

Does the proposal consist of, or include, the carrying out of building or other operations?

- ☒ Yes
- ☐ No

If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions)

demolition of existing garden outbuilding and replace with a new pool house building and gym.

Does the proposal consist of, or include, a change of use of the land or building(s)?

- ☐ Yes
- ☒ No

Has the proposal been started?

- ☐ Yes
- ☒ No

Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The proposed development involves the demolition of the existing lawful outbuilding and the erection of a replacement pool house and gym. The new building will remain within the residential curtilage of the property and will be used for purposes incidental to the enjoyment of the dwellinghouse, consistent with Class E of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended). The design has been carefully considered so that the building is single storey, of modest scale, and subservient to the main dwelling. It does not exceed the relevant height or footprint restrictions, and it will not adversely affect neighbouring amenity in terms of loss of light, outlook, or privacy. The proposal is therefore considered to be acceptable in planning terms.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Is the proposed operation or use

- ☒ Permanent
☐ Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

A Lawful Development Certificate should be granted because the proposal meets the requirements of Class E, Part 1, Schedule 2 of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended). The replacement pool house and gym will be located within the curtilage of the dwellinghouse and used for purposes incidental to the enjoyment of the dwelling. The building will be single-storey, of a modest and subservient scale, and will not exceed the height or footprint restrictions set out in the GPDO. It is not forward of the principal elevation, will not be situated on designated land. As such, the proposal falls within permitted development rights, and a Certificate of Lawfulness is therefore justified.

Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

- ☒ Yes
☐ No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- ☒ The agent

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

☐ No
