### Comments Details

Comments:	SPC - Object. The Parish Council recognises the school needs to be repurposed and support the conversion of the old school buildings into 2 dwellings. We are not happy with the "sprawling" design of the proposed out-buildings for carports etc. The proposed design does not seem to be in keeping with the Victorian architecture of both the school and the old schoolhouse adjacent to the site.
	The main objection to this application is to the 2 new dwellings proposed for the school playground. By virtue of the urbanising nature of a further 2 houses, the proposal would fail to conserve or enhance the High Weald Area of Outstanding Natural Beauty and

fail to protect the intrinsic character and beauty of the countryside.
