Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:

The proposed development includes roof lights in the roof elevation facing Oakway. I understand that such windows in close proximity to a boundary should be made of frosted glass. Because they will be openable the privacy which frosted glass would afford will be lost. If the applicant wishes to proceed with such roof lights, they should be frosted and not openable. Consent, if approved, should include the above and a condition that no alterations to the roof and elevation facing Oakway can be made in the future.

Kind regards
