Subject: DM/25/0506 Grovelands Farm

Hi Anna

Comments on the above application.

Grovelands Farm is a Grade II listed former farmhouse, dating from the 17th century and located in a rural position to the south of Sharpthorne. Planning permission and listed building consent were granted in 2022 for construction of a small pitched roof extension adjacent to a converted former barn attached to the north of the house. The current proposal is in effect for an amendment to this approval to include a rooflight to the inward (towards the barn elevation) facing slope of the pitched roof. This proposal should have only a very minimal impact on the appearance of the extension from surrounding viewpoints is not considered contentious.

The proposal is therefore considered to preserve the setting and special interest of the listed building, meeting the requirements of District Plan Policy DP34 and the relevant paragraphs of the NPPF.

Thanks,

Emily
