DM/26/1271

Details of the pre-application advice received

The previous permitted development application (DM/26/1271) was rejected because the new extension eaves were higher than the existing house.

A revised roof was sketched and sent to Mr Davies for comment, and the new mono-pitch roof/flat roof and side parapet was considered in accordance with Class A - Extensions, of the Permitted Development Rights For Householders, and this new permitted development application was needed to confirm that.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
