Comments re Planning Application for erection of D6 illuminated advertising display. At Cuckfield Service Station , Whitemans Green, Cuckfield RH17 5DA.

Dear Sirs,

I would like to object to the erection of an illuminated advertising board in Cuckfield village which is close to areas of natural beauty and is not appropriate to the Historic and rural character of the village and Whiteman's green area.

The garage already has signs outside and a further lit sign would be both distracting and unnecessary for both drivers and pedestrians and have a negative impact on the houses nearby.

I am a local resident and my email address is jessica_coyer@hotmail.com

Yours faithfully
