Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Although we appreciate the need to renovate this property we have to object to the raising of the roof line by over 1m. This is a considerable height increase and will impact our property by blocking the late afternoon and evening sun we get on our patio. For a 2 storey house why the need for the increase? Another note is that several years ago we looked at raising our roofline along with our neighbours by 2ft to accommodate a loft conversion,, pre-planning consultation said this would be rejected based on the area.

Closing note: A similar proposal but without the height increase to the roof line we would be able to support.

Kind regards
