Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	As a resident of Southdowns Park I wish to object to the plan for padel courts. The light and noise pollution it will create will have a severe impact on daily life as a resident. The wind often comes from the south and drives noise towards our building. The thwacking of the ball on the bats will be very intrusive and it will be continuous day and night - with the

suggested opening times. The flood lights at night will also cause disruption to daily living. This is a residential neighbourhood and this just doesn't fit with our surroundings.

Kind regards
