Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	This is a great use of the wasted space that is being taken up by a derelict public house. Building a Tesco local will bring more money into the village and gives us as a community a better choice of supermarket. Having this amenity nearby will also increase the local property value, and make Copthorne a more appealing village.

Kind regards
