Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I wish to make an objection to yet more houses that will add to the problem of lack of surgery places. All are full as are the local schools stretched to the limit. More traffic choking the roads which the authorities cannot maintain with the amount of pot holes making driving dangerous & damaging vehicles. It's time that the council told government that the SE is full & look further afield for more building or use brown field sites.

Kind regards
