Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer made comments in support of the Planning Application

Reasons for comment:

Comments: Dear Sir/Madam.

We would like to write in support of the attached planning application. We believe that this proposed extension would in no way detract from the property and, indeed, would enhance both the appearance of the property and the usable accommodation. Also, as close neighbours, we feel this extension would not impact on the surrounding properties in any way so we would like to endorse this application.

Kind regards
