Apologies - I accidentally clicked send too early on previous email....

Hi there Stefan,

Thank you for your email.

I have just been to Brian Gow roofing supplies down the road from me where I have found a great match for the existing tiles. I have hand picked out a few examples and attach some photos for your reference. The details of the supplier are as follows:

Brian Gow roofing supplies  
1 The Roofing Warehouse  
Nash Ln  
Haywards Heath  
RH17 7NJ

I do hope this will satisfy Emily's requirements.

I look forward to hearing from you both in due course - in the meantime have a great bank hol weekend.

Many thanks  
Guy

Please would you be able to review and provide the requested details pursuant to condition No.2? On a positive note, the details for condition 3 are considered to be acceptable.

I look forward to hearing from you.

Dear Guy,

Hope you are well.

The reconsultation with Emily will take us over the current decision deadline date and we will require an extension of time to allow for these comments to be received. In light of this, please could you confirm your agreement to a revised decision deadline date set for 29.05.26?

If you could confirm whether this would be acceptable in a response to this email, it would be much appreciated.

Dear Stefan,

Apologies - I thought I had responded to you and acknowledged your last email but it appears I have not.

I have been liaising with the architect and have had them produce more drawings - as requested by Emily. Also attached are plans from a local joiner regarding the fixed windows and also a photo of the tiles we are to match for the roof. The tiles will be sourced from a local reclamation yard in West Sussex.

I sincerely hope that everything now submitted is satisfactory.

I look forward to hearing from you.

Kind regards

Guy

Good afternoon Guy,

I have now received the attached response from our Conservation Officer.

While they have noted that some details are sufficient, we would still require some further information including detailed drawings. Please could you be able to review the response and provide these requested details?

Further to our last correspondence, have you managed to expedite this internally at all and speak with Emily. Anything you could do in this regard would be hugely appreciated.
