Case Officer: Catherine Cardin

App. Type: Householder Application

RESOLVED: The Committee of 24th August would Recommend Refusal:
The Committee previously discussed this on 3rd August, noting that new plans have been submitted. Committee having looked further are concerned as to loss of amenity to neighbours due to potential noise disturbance under DP29, and the closeness to the neighbouring property. The build is also felt to be too close to the tree in the garden of number 2. It was also noted that South East Water have not as yet replied to the consultation as to utility connection.
