Hi Anna,

Thank you got the update, I do appreciate the pressures the local authority planning system is under and have been contacted recently by two local authorities, as a planning consultant, to assist with their workloads, not Mid Sussex DC of course.

Yes, I can agree on behalf of the applicant, to the extension of time request.

All the best.

Dear David

I refer to your last email, which I received on 08.10.2025 regarding the above applications. I sincerely apologise for the delays that have resulted from late consultee replies and my own workload pressures.

I shall be reviewing the application again tomorrow. I do not believe I need any further information from you before I make my recommendation in my report. I shall be in touch if any issues arise on my review.
I therefore request a further short Extension of time for the determination of DM/25/0579 to this **Friday, 24th October 2025** to allow my report to be finalised and to allow consideration of my recommendation by Senior Officers. My recommendation will be to approve the plans.

I look forward to hearing from you regarding this EOT request.

Please note that I shall be on leave from Friday 24th October, returning on Thursday 30th October 2025.

Kind regards
Anna

Hi Anna,

Just a quick check, was the letter from Hammonds Mill Farm giving consent for the locations and connections to the proposed sewage treatment plant acceptable and are you waiting for any further information from us on the application.

Thank you.
