Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	We , the above would like to object to the planned variation . Constant cars,vans and possibly larger vehicals with permission to come and go 365 days a year without exception seems totally wrong for this area. This is a residential country Sussex lane, not an industrial estate. Noise, traffic problems and nuisance to the homeowners is unfair and not acceptable. We therefore ask the Planning Department for refuse this application.

Kind regards
