Dear Stefan,

Thank you for consulting the Flood Risk and Drainage Team on the above application.

We would request that Southern Water are consulted in the first instance, to provide confirmation a connection to their foul water system is agreed in principle. Please note Southern Water have updated their guidance on connections as of July 2024 (see below)

<https://www.southernwater.co.uk/media/l23dbon0/surface-water-management-policy-120724.pdf>

Upon review of their comments, we will be able to comment further.

Best Wishes

**Flood Risk and Drainage Team**  
**Estate Services and Building Control**  
**Mid Sussex District Council**
